

Hospital Financial Assistance Application

Important: YOU MAY BE ABLE TO RECEIVE FREE OR DISCOUNTED CARE: Completing this application will help University of Illinois Hospital & Health Sciences System ("UI Health") determine if you can receive free or discounted services or other public programs that can help pay for your healthcare. Please submit this application to the hospital.

IF YOU ARE UNINSURED, A SOCIAL SECURITY NUMBER IS NOT REQUIRED TO QUALIFY FOR FREE OR DISCOUNTED CARE. However, a Social Security Number is required for some public programs, including Medicaid. Providing a Social Security Number is not required but will help the hospital determine whether you qualify for any public programs.

Please complete this form and submit it to the hospital in person, by mail, by electronic mail, or by fax to apply for free or discounted care within 240 days following the date of discharge or receipt of outpatient care.

Patient acknowledges that he or she has made a good faith effort to provide all information requested in the application to assist the hospital in determining whether the patient is eligible for financial assistance.

UI Health provides financial assistance for uninsured patients that meet certain requirements. UI Health determines the level of discount that you will receive based on your income in comparison to current federal poverty levels. UI Health's financial assistance programs are designed for uninsured patients and do not provide discounts on coinsurance, deductible or other out of pocket expenses for patients with third party insurance. Financial assistance applies to UI Hospital and most physician services. Please see the Financial Assistance Policy for more details.
