

## University of Illinois Hospital Financial Assistance Excluded Providers

All discounts described by UI Hospital's Financial Assistance Policy apply to all medically necessary services defined by the policy provided by the University of Illinois Hospital and the University of Illinois at Chicago Physicians Group associated with services provided at the University of Illinois Hospital and its provider based clinics.

The billing practices and discounts associated with UI Hospital's Financial Assistance Program provided at the University of Illinois Hospital and its provider based clinics do not apply to the following physicians, physician departments or services. Therefore, any professional or other fees associated with those listed would be excluded from the policy.

- Scheck & Siress (providing outpatient orthotic, prosthetic or pedorthic equipment)
- Hospital Ambulatory Pharmacies (providing outpatient pharmaceutical services)

This list shall be reviewed and updated at least quarterly. This information may also be requested by contacting 312-996-1000.
