

# **UIC Student Health Benefit Contraception Coverage**

During the 2015-2016 academic year, the **Student Health Fee** will continue to provide contraception options for UIC Students.

**The following contraception options are available for UIC students under the Student Health benefit:**

- I. **\$10 Generics for:**
  - a. **Alesse<sup>®</sup>**
  - b. **Ortho Cyclen<sup>®</sup>**
  - c. **Ortho Tri Cyclen<sup>®</sup>**
  - d. **Ortho Novum 7/7/7<sup>®</sup>**
  - e. **Ortho Novum 1/35<sup>®</sup>**
  - f. **Ortho Micronor<sup>®</sup> ( progestin only)**
- II. **\$25 Generic for Loestrin Fe 1/20<sup>®</sup>**
- III. **\$30 Generic for Depo-Provera<sup>®</sup> injection**
- IV. **\$35 Emergency contraception (Plan B One Step<sup>®</sup>)**
- V. **\$45 Ortho Tri Cyclen Lo (brand only)**
- VI. **\$50 Generic for Ortho Evra topical patch**
- VII. **\$55 for Nuvaring vaginal ring ( brand only)**

Currently, CampusCare does not provide contraception coverage for UIC students because these are covered under the Student Health Fee (and thus available to all students regardless of healthcare coverage). During this academic year, the Student Health Fee will continue to provide coverage under the same terms.

Should you have questions regarding student contraception coverage, please contact the
