

TOBACCO TREATMENT CENTER

You can quit.

We can show you how.

Congratulations! By picking up this card, you have taken the first step to getting the help you need. Turn this card over to find the next steps that will help you quit. For good.

The Tobacco Treatment Center is a program offered jointly through the Pulmonary and Pharmacy services.

TOBACCO TREATMENT CENTER

WE OFFER

Personalized Care

We listen to you. We understand your experience is unique.

Individualized Treatment Plans

Based on your unique experience, we will work closely with you to identify the best approach to stop your tobacco dependence.

We Are There For You

After your initial visit, we will continue to be there to support you and help you succeed.

UNDERSTANDING THE FACTS

- Smoking cigarettes is as addictive as heroin, cocaine and alcohol.
- It is never too late to quit using tobacco products.
- The body begins to heal itself immediately once it is no longer exposed to tobacco and other harmful chemicals in tobacco products.
- There are proven effective methods to help you succeed in stopping tobacco dependence.
