

UI TEAM RX

Welcome to the Team

Why wait for your medications when your medications could be waiting for you?

This is a FREE service!

Together we can work to:

- Manage your medications
- Reach your treatment goals
- Spend less time waiting for your prescriptions

UI Health
Pharmacy

Ask a Pharmacist for details!

UI TEAM RX

Services Provided

- **Medication Reconciliation**
We check to make sure your medication list is current (when possible) before filling your prescriptions.
- **Medication Synchronization**
For your convenience, we try to fill as many of your prescriptions together as possible.
- **Medication Management**
We are here to help you manage your medications.
- **Disease State Management**
As part of your healthcare team, we will work with you to help you reach your treatment goals.
- **Prescription Refill Management**
As part of your healthcare team, we help you manage your refills.

Additional Information

- If you are eligible for Medication Therapy Management (MTM) services, your insurance may be billed per contract requirements.
- You may opt out of UI TEAM RX at any time.
- If you have any questions, please talk to one of our pharmacists. We are here to help you!
